

**CHRIST CHURCH FOOD & SUPPLIES DRIVE: August/September, 2020**

In July, nearly 30 million Americans told the Census Bureau they didn't have enough to eat. COVID-19 continues to leave **families** without income, behind on rent and unable to purchase food and essential supplies. What's more, the virus has impacted the ministries of our **mission partners** who care for those in need here in our neighborhood and nearby in Chicago.

You can make an impact by helping to provide much-needed essentials and wish list items to the people in our community. We encourage you to look beyond yourself by inviting those where you live, work and play to join you in caring for our neighbors and friends with donations and support.

**Our August/September Drive will serve those in need through:**

- **The Salvation Army/Christ Church Food Pantry** — Serving families in need in our neighborhood
- **Reclaim13** — Serving former victims of human trafficking as they recover
- **Caring Network Chicago** — Serving women in crisis dealing with unplanned pregnancy

*See the detailed list of needed items below.*

**Drop-off dates and hours:** August 1 through September 30, 2020  
Mondays/Wednesdays/Thursdays/Sundays | 9:00 a.m. — Noon

**Donation Drop-off Location:** Christ Church Butterfield | 2S361 Glen Park Rd, Lombard, IL 60148  
Note: There is NO DROP-OFF or collection of food at the Oak Brook campus at this time.

**Curbside Drop-off:** As you enter our parking lot, you will see a cart near the entrance to the building that is clearly marked "Thank you for your donations." Please leave all items on the cart or in a box beside the cart so volunteers can pick them up and sort them at regular intervals throughout the day.

**About Our Partners**

**Reclaim13** works to end child sexual exploitation in the United States through healing of victims, education/prevention for families and children, and engagement of volunteers. Reclaim13 supports Cherish House, the only safe house in Illinois for trafficked girls ages 10-21. Through its church coalition, of which Christ Church is an integral partner, Reclaim13 works to mentor abused children and adults and show them the true love of our Savior.

**Caring Network Illinois** serves women in crisis dealing with the devastating effects of an unplanned pregnancy. Caring Network counselors reach out to women with unconditional love and non-judgmental counseling, offering resources, ultrasounds and emotional and spiritual support.

**The Christ Church Food Pantry Team** partners with the Salvation Army Food Pantry to meet the nutritional and clothing needs of people in the local DuPage County area, serving to develop healthy communities.
