Family Reflection: Who Built the Stable?

Who do you think built the stable?

Who was the stable actually built for and why?

What ended up happening in that Stable, and why was it special? (Read Luke 2:8-16)

Do you think the Shepherd boy in the story ever thought that one day the Savior of the world would be born in his manger box?

What are some talents, or things that you have in your life that God might actually use to change the world?

As a family pray that you would give those things to Jesus this Christmas!

Finding Jesus in your Christmas Traditions - Christmas Cards

In 1843, the first Christmas card was created and sent in London. Such a great idea and everyone loved it! Christmas cards at the start were illustrated with nativity scenes and Christmas imagery. The words inside the cards repeat the very first Christmas message delivered directly from heaven. But the angel said to them, “Do not be afraid. I bring you good news that will cause great joy for all the people. Luke 2:10. There is something special about the season that opens the door for people to share the good news.

This year more than ever sending a Christmas card is a small way that will touch the heart of someone you care about and focus the holiday on its true meaning while planting a message of love that can change lives forever.

As a children’s ministry, we are making Christmas cards for some of our members who might be having a hard time this Christmas. If you and your family are interested in helping out, then make a homemade Christmas Card with a generic encouraging message and drop it off at Church (there is a box outside of door 17) by Thursday December 17th and we will mail them out for you! Otherwise, make your own card and send it to a loved one, or someone in need!
