Share with others

Dear Christ Church,

Last Sunday I shared my vision of Christ Church as a community filled by a *grace greater than the gravity of life* and on a mission to **LIFT 10,000** toward their God-given potential. If you weren't able to hear that **message**, I'd be grateful if you'd listen to it, as I share how our church's leadership is viewing the future and the vital part YOU can play in that adventure.

In the course of my comments, I invited each of us to strive to *LIFT one person each week toward a greater level of thriving* and offered some concrete ideas about how we might do that. I'd love to know how God leads you to live out that calling. If you write to me at stories@ChristChurch.us, I'll share your idea (anonymously) with others to inspire them too.

One great way of helping to LIFT someone would be cluing them into the **REMARKABLE RELATIONSHIPS** series that begins this Sunday, September 19. Research suggests that the pandemic has been especially hard on many relationships at work, in family life and elsewhere. We are reprising this message series because it offers people so many practical handles and helps on how to LIFT the quality of their connections with others.

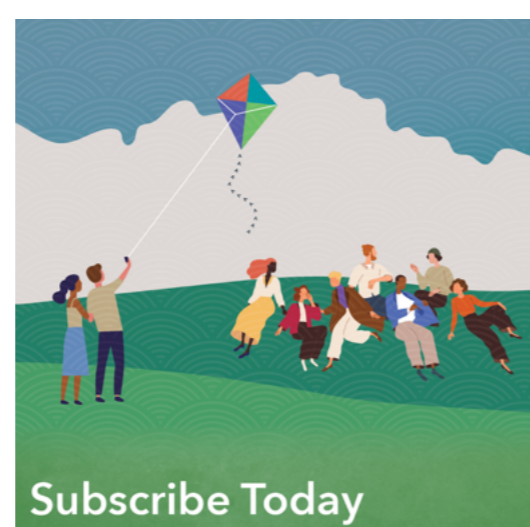

WHO could you invite to come to one of our campuses or catch these messages online? Who is new in your neighborhood, school or workplace? Who is in a new stage of life (starting to date, newlyweds, new parents, empty nesters) and might be blessed by this content? The **series page** has a feature that makes sharing about Sundays easy.

You or someone you know can also **subscribe to receive a weekly devotional** that will assist you in applying this practical wisdom to yourself and your relationships. In world where so much weights us down, how wonderful that we know the God of LIFT!

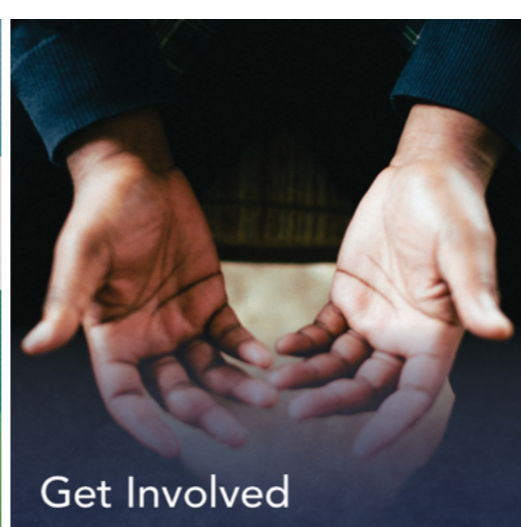

In Christ's love,

Rev. Dr. Daniel Meyer, Lead Pastor

He LIFTS up all who are bowed down (Psalm 145:14)
