JOIN A GROUP

Group life provides us with a safe space to strengthen our walk with Christ, grow closer to others and become equipped to make an impact in the world around us. Rooted is a 10-week group discipleship experience and a catalyst for life-change. It provokes questions, fosters conversations and provides group experiences designed to give you a glimpse of your story in God's plan. At Christ Church, we believe that God designed us to live in community. We invite you to explore our Rooted groups this fall. To learn more and to register for a group, click [here](#).
