

Haggai International

Global Mission Partner

At the core of **Haggai International's** mission are strategically positioned leaders who are multiplying their influence with one purpose in mind — to end Gospel poverty. Haggai selects, equips, multiplies and encourages difference-makers all across the globe to more effectively demonstrate and present the Gospel of Jesus Christ — and prepare others to do the same.

Haggai has equipped over 125,000 leaders in 189 nations who are committed to making disciples. Working solely with those already living, working and serving in the places where Gospel poverty exists, Haggai believes that indigenous leaders possess a distinct advantage in reaching their own people with the Good News.

Reflect and Discuss:

Haggai does not seek to train the whole world, but rather trains individuals who each train 100 others. In the video, Andrew and Josie were surprised to find that their efforts over five years had reached over 2,000 people. How can you “multiply the impact” of the spiritual training you have already received?

Paul asks in Romans 10, “And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent?” Do you see yourself as having been “sent” to spread the Gospel? What might it look like for you to become a disciple who makes many more disciples?

Developing Leaders

Jesus chose apostles who could not only influence individuals, but also multiply ministry that changed entire regions.

In like fashion, Christ Church seeks to identify catalytic change-makers and provide them with theological education, leadership training, financing, volunteer support and prayer that helps increase their impact. The result: an ever-growing network of disciples who make disciples who make disciples.

Pray:

- For the widespread growth and safety of Haggai's ministry.
- That God would use the people Haggai trains to make many more disciples worldwide.
- That God would empower you to boldly share the Good News with the people in your life.
