

COW & KOINONIA TALK SHEET 02.07

Life on Mission | Week 2

1. WELCOME

Welcome: Have someone open your time in prayer and spend some time catching up over the last week – what did you do (if anything!) for the Super Bowl? Favorite Super Bowl Commercial?

Question:

1. What is the fastest viral video/meme that you can think of? What is the story behind it? How fast did it go all over the world?
2. If you could make anything go viral, what would it be? (video of yourself, particular attitude or perspective, etc)

2. HUMBLE BEFORE GOD

MICAH 6:8 + JEREMIAH 22:3

Spend a few moments reading through each one of these passages aloud as a group. Maybe read each a couple times! As your reading, try to think of the similarities and differences between them!

- 1) What stands out to you from these passages?
- 2) What themes are present in both passages?
- 3) Which instruction from the verses strikes you as the easiest to live out? Which strikes you as the most difficult?

3. TRANSFORMED BY HIS LOVE

Watch Teaching Video Together

- What did you hear from Aaron's message that you learned or that you heard for the first time?
- **What is the idea of Biblical Justice?** (hint: recognizing the Image of God in everyone and seeking that they are treated that way!)
- **Where do you see actual biblical justice carried out in your life?**
- Describe your typical perspective toward the marginalized, if you're comfortable! (e.g 1) I have a hard time seeing the marginalized, 2) I see the injustice, but it doesn't really affect me, 3) I see their pain, and my heart breaks for them, but what can I do?, etc)
- **How might focusing on the individuals that are experiencing injustice (rather than the issue) help us change our mindsets to see them and act justly toward them? (Who vs What)**

4. SERVING THE KINGDOM TOGETHER

- **As a group, make a list of the injustices you see in the world at large. Where are people being treated as less than they are?**
- Which of those in the list do your hearts break for most?
- **What does it look like to care for, "have regard for", those individuals – even if they are across the world?**
 - Learning about their experiences
 - Praying for them, mourning with them
 - Looking into how the church can support them
 - Share their stories
- **Think specifically about your week ahead. As a small group, how can you care for people experiencing injustice across the world this week?**

5. PRAYER

Prayer Requests

In your prayer time today, spend time to specifically praying for those injustices that your hearts hurt for. Pray for the individual people experiencing them.

Next week: HS in person, MS on zoom! Everyone in person starting 2/20!!

Love the Lord... with all your heart, soul, and mind...
Love your neighbor as yourself.

Matthew 22:36-40
