

ROOTED SERVE EXPERIENCE 2021
Opportunities to Serve with our Domestic Mission Partners

Cherished Rooted Facilitators,

Thank you for undertaking the Rooted Experience with us! We pray that you're finding this to be a fruitful journey and that God will continue to speak to you as you pursue Him throughout the coming weeks.

Below, you'll find an array of details about a select few of Christ Church's Domestic Mission Partners. We have compiled this list in anticipation of the Serve Experience, part of our Rooted curriculum during Weeks 6 and 7. Ideally you will be able to undertake the Serve Experience with your group sometime during that two-week span; however, we understand that scheduling can be a challenge and encourage you to serve at a time that fits for your group.

Because schedules fluctuate from group to group, we have not "cemented a date and time" with each partner by default — although some partners do have set schedules, as listed below. Instead, we encourage you to discuss these opportunities with your Rooted group, then reach out to the Ministry Contact at the organization of your choice to schedule a date and time to serve. Please don't hesitate to send them questions about the ministries or the opportunities; they have been notified about our Rooted groups and are looking forward to meeting you!

As we articulated at the Vision Night, if you and your group already have another idea for a possible service project, please do go for it. While we want to come alongside your groups and support you in serving, we don't want to hinder your creativity. Ultimately, we trust that the Holy Spirit will guide all of us through this journey, and we look forward to the "holy surprises" He has yet to reveal.

As always, feel free to reach out to us at groups@christchurch.us with any questions about the Rooted Experience itself. And if you'd like to explore in greater depth the Mission Partners Christ Church supports, we hope you'll email Peter Celauro at the address below. He would be thrilled to answer your questions and chat about some of the ways that God might be calling you personally to serve.

With great gratitude,

Tara Beth Leach, Pastor of Missional Life | tbleach@christchurch.us

Eric Haskins, Pastor of Adult Ministries | ehaskins@christchurch.us

CaReese Mukulu, Missional Communities Coordinator | cmukulu@christchurch.us

Christ Church/Salvation Army Food Pantry

Salvation Army Oakbrook Terrace | 1 S. 415 Summit Ave, Villa Park, IL 60181

Ministry Contact:

Doug Nelson | Co-founder & lay leader
itenelson@aol.com | 630-674-7116

Ministry Overview:

Looking for a way to serve those in need right here in our community? Consider volunteering at the Salvation Army with the Christ Church Food Pantry team!

In 2004, a group of Christ Church members felt a stirring to serve the struggling families in our area. In the 17 years since, the Food Pantry Team has provided food and clothing to well over 60,000 men, women and children. This lay-led team of Christ Church volunteers partners monthly with the Salvation Army in Oakbrook Terrace to serve the needs of local families — often 100 or more in a single morning — with food, clothing, shoes, Bibles, fellowship and prayer.

Potential Serve Opportunities for Rooted Groups:

The Food Pantry takes place on **the second Saturday of every month** at 1 S. 415 Summit Avenue in Oakbrook Terrace from 8:00 - 11:15 a.m. On the day of the pantry, the Christ Church team distributes food to guests, helps carry groceries out to cars and assists in clean-up.

There are a number of ways to serve the Food Pantry throughout throughout the week preceding the Pantry (although contact with clients is only possible on Saturday):

- Thursday | 5:45 — 6:15 p.m. | Loading racks of food out of the Butterfield building and into the truck for transport to the Salvation Army
- Friday | 1:30 — 4:00 p.m. | Setup at the Salvation Army
- Saturday | 7 a.m. — 11:15 a.m. | Food Pantry at the Salvation Army
 - PRAYER & CARE TEAM: Additionally, a Rooted group could serve together as a “Prayer and Care” team at the Pantry, meeting clients and praying for them and their needs.

Food and Clothing Supplies Sorting

- Much of the Food Pantry’s food and clothing is provided through donations to Christ Church’s various drives. These items must be sorted and organized prior to distribution. Rooted groups are invited to try an exciting and invaluable two-pronged Serve Experience: Assist in sorting one day, then attend the Pantry to distribute the items to families! To learn more and sign up, contact the lay leaders below:

Emmaus

4201 N. Troy St., Chicago, IL 60618

Ministry Contact:

Jonn Blazey | Director of Partnership + Story

Jonn@Streets.org | 702-205-2104

Ministry Overview:

Trafficking and exploitation of men and boys continue to grow at an unprecedented rate, both in Chicago and around the world. Contrary to popular perception, 36% of those victimized by the sex trade are men. However, because men are typically viewed as oppressors rather than victims, there are virtually no services available to male victims and survivors of trafficking and

exploitation. They are often overlooked, misunderstood, stereotyped, ignored and left without support. Facing this challenge requires strategy, innovation, collaboration and prayer.

Emmaus Ministries builds Christ-centered relationships of trust with men in survival prostitution on the streets of Chicago, helping them to rebuild their lives. They also partner with law enforcement to address the root causes of trafficking and exploitation and cut off the cycle before it starts.

Potential Serve Opportunity for Rooted Groups:

- **Immersion Night | Friday or Saturday Nights, 10 p.m. and later**
 - Volunteers travel downtown and meet with Emmaus staff at a central location in the city, then travel together to some of the neighborhoods Emmaus serves.
 - Christ Church members “shadow” the Emmaus staff as they perform street outreach to the men they encounter. The team provides the love of Christ, meals, practical help in escaping the sex trade and the hope of a brighter future.
 - Immersion nights allow volunteers to experience the settings where survival prostitution takes place and gain a new perspective, building awareness of the need and developing a heart to help.
- **Opportunities for ongoing service:**
 - Building care packs (distributed to men on the streets)
 - Contribute skilled assistance with legal, accounting, and other needs
- Emmaus also provides training (documentary and discussion) for those interested in learning more about the ministry.
- Comments from Emmaus staff:
 - *“Many people are incredulous when they first hear about the problems we’re trying to address. They can’t believe that such circumstances exist. But when you come downtown and imagine yourself as a 16-year-old from rural Illinois who arrives in the city on a bus with nothing and no one to turn to, the path so many take into this cycle becomes more clear. This is an opportunity to learn, engage, ask questions, and then develop a heart of mercy for a group of people that most people do not see.”*
 - *“This is not your typical serve opportunity, so there is a certain amount of risk. But in our 30 years of doing this work, we’ve never had any issues with safety and none of our staff or volunteers have ever been harmed. In addition to using ‘street smarts’ as we engage with the neighborhood, we have been blessed that the Lord continues to care for and protect our ministry.”*
