- 1.) **PRAY** – Start by praying together as a family. In your prayer, ask God to be at the center of your identity!
- 2.) **READ** – Open your Bibles and read Luke 12:13-21
- 3.) **WORSHIP** – As a family, turn the volume up and worship together. Our two songs today remind us that God should be the center of our lives!
- 4.) **ACTIVITY – “MY FINGERPRINT”**
  - Trace your hand on a sheet of paper
  - On each finger, write or draw something that is really important to you, or something you really like!
  - Afterwards, go around as a family to talk about your unique fingerprints
- 5.) **WATCH – Reimagined – The Rich Fool** After watching, discuss these questions.
  - **Talk about the man who stored up apples...**
    - Why was it foolish to put all of the apples in a barn?
    - What could he have done with those apples instead?
    - Can you think of ways that this parable might apply to you?
  - **Pull out your “Fingerprint” activity...**
    - Are any of your “fingerprints” like the apples from the story?
    - Why is it so easy to focus on things that won’t last?
    - How might you use your fingerprints to make an impact for God?
  - **As a family...**
    - Talk about what you can do to store treasure in heaven
    - What might your families “fingerprints” be?
- 6.) **OPTIONAL ACTIVITY** – Dig through your closets and find some toys that you are “saving for later” put them in a box that you can donate to the Christ Church food pantry so that other kids can share in the joy of “your treasure”
- 7.) **Pray** – Pray that God would give you a heart that seeks Him first!
