

Weekly Update

April 28, 2021

We are excited to have Dr. Mark Jobe, president of Moody Bible Institute, as our guest speaker for **Mission Fest 2021**. Join us for worship to hear his compelling story and faith journey from international missionary to church founder and leader of one of the most distinguished Christian education institutes in the nation. Dr. Jobe's message will be "What in Your Lunch Bag?" We are living at a key juncture in history. Often people of faith are called to step into moments of opportunity and discern the "God Plan." Join us this Sunday as we discover four key factors we need to understand to not miss these divine moments. Subscribe [here](#) to our videos and podcast to learn how God is working through our mission partners here and around the world.
