Share with others

Dear Christ Church,

Do you ever listen to the news and think: *“How much more of this can I take?”* The number of burdens and conflicts and disasters and travesties that come at us today can feel so overwhelming. How do we keep from being depressed or crushed by the sheer GRAVITY of life in these times?

Personally, I turn to Jesus. When I’m feeling the weight of everything, I make the conscious decision to tune into the One who says: *“Come to me all you who are tired from carrying heavy loads and I will give you rest.”* (Matthew 11:28)

It comforts me to know that Jesus has the whole world in His strong hands. I can care for this world without having to carry it. I can work for the good of other people without having to be their Savior. I can turn daily to Him and He will give me a GRACE greater than life’s gravity.

Do you want this LIFT for yourself? Then, *“Come to ME,”* Jesus says. I invite you to do that regularly this Fall. Come to Jesus. Look in His face. Listen deeply to His Word. Draw upon His life-raising power. Every Sunday, we’re going to gather for worship in-person and online and you can meet Him there. Jesus promised it. (Matthew 18:20) Come find rest for your body and renewal for your spirit.

I especially hope you’ll join me and others this Sunday, as I’ll be sharing the exciting **vision** Jesus has given our church’s leadership for the season ahead. I’m going to describe how YOU and I can find the **LIFT** we need AND let God move THROUGH us to lift up others so desperately in need of His grace. Please don’t miss this important message! **Remember we move to our new times, 9:00 and 10:45 a.m.**

With love and hope for you,

Rev. Dr. Daniel Meyer, Lead Pastor

P.S. If you’d like your life to influence others for good even beyond your years on earth, consider signing up for one of our **Legacy Planning Workshops**. It costs you nothing just a little bit of time and it may be one of the greatest things you ever do.
